Neighborhood Stabilization Program 2 Grant Application

Dear Mr. Jinkens:

[name of committing organization] is pleased to verify its commitment to the City of South Lake Tahoe's application to the U.S. of Housing and Urban Development (HUD) for the Neighborhood Stabilization Program 2 (NSP 2). Should the City's grant application be funded, **[name of committing organization]** will provide the following resources:

(list resources and dollar value, use as much space as necessary)

Be specific, if donating or discounting services, describe service to be provided and the market value of that service. If offering a discount on materials or services, write description "lumber, construction supplies, drywall," or "loan processing fee," etc, and percentage discount, or cash value of the cost applied to 100 residences "\$10,000." If donating materials describe in the same manner and cash value. If donating cash, list resource as "cash donation to program."
